### Sermon: The Greatest Miracle: The Message of Evangelism

Individual activities can include a weekly discussion group, singings, trips to meetings, ball games, hikes, canoe trips, parties, special discussions or studies with the preacher, and a dozen similar activities. When we pray for God's help in our evangelistic efforts, we need to be assured that when we do our little part that the result will be the one God intended. Whole systems have been created over the past generation to involve church people in reaching unchurched neighbors and friends.

### Evangelism: The Romans Road to Salvation

As a result they begin to live for Him instead of for themselves, and they give Him praise.

### 10 Things You Should Know about Evangelism

He performs a creative work to give us a new spiritual life, a one-time, good for eternity, entrance into the kingdom of God. And how are they to believe in him of whom they have never heard? His desire is that we be like him, and that we commit ourselves to developing intimate relationships with non-Christians.

### Divine Evangelism: The Bible as God's Proclamation of the Gospel

You have more conversions from Bible correspondence courses when members pass out the first lesson. Bibliography Information Butler, Trent C.
