## Paul Ramsey's Christian Deontology

How does this differ from the focus of reference in the various systems of classical moral philosophy? Jesus condemns the evil of not just behavior adultery , but of sinful desire lust Matt 5:27-28. But this gives the basis; it does not give the applications.

## James F. Childress, Book Review: The Groundwork of Christian Ethics

But it should be noted that however much if at all the divinity of Jesus is recognized in the gospels, they nowhere claim Jesus is the entire divine. One angle it takes is the question as to whether we should use the Old Testament as well as the New.

## Exploring a Christian Ecological Virtue Ethic

That is, there are relatively few who emphasize character traits both virtues and vices with respect to environmental issues. Used by permission of Baker Publishing.

## Exploring a Christian Ecological Virtue Ethic

Description: London: Epworth Press, 1987. In alarm at the tendency to accommodate Christianity to the accepted standards of the secular world, there is a repudiation by Christian leaders of all sources of moral decision not specifically grounded in the Bible. In all these matters judgment should begin at the house of God.

## The groundwork of Christian ethics (1972 edition)

This chapter will not, however, engage issues of dating nor cover the so-called quest for the historical Jesus debates among scholars surrounding which passages of the New Testament are reliable or more reliable than others; see Evans 1992. Jesus had a past, and from his life and influence came the Church of which the beginnings are recorded for us in the New Testament. This is not to say that all Christians agree on what the Bible says.

## N. H. G. Robinson, The Groundwork of Christian Ethics

This is not to claim that we have a perfect record of the life and teachings of Jesus, for historical scholarship has made it clear that the records we have in the Gospels reflect not only what Jesus was and did and said, but also what the early Church believed about him.

Yet, on the other hand, some things can be said with a fair degree of certainty and assurance.
