Colonial Virginia Portraits

The wall also served to contain cattle. Another small force sent with Samuel Argall against the Warraskoyaks found that they had already fled, but he destroyed their abandoned village and cornfields as well. The settlement at Jamestown could finally be considered permanently established.

Home Remodeling

The college included a for Virginia Indians, supplemented by local pupils, which lasted until a 1779 overhaul of the institution's curriculum.

Colonial Virginia

Puritans and Adventurers: Change and Persistence in Early America 1980.

Colonial Virginia

In 1699, the government and capital were moved from Jamestown to Middle Plantation, renamed Williamsburg. Some Welsh arrived, including some ancestors of Thomas Jefferson.
