Milagros Guadalupe Hernandez during a visit to the Children's Hospital. She had 37 broken bones, including her pelvis. Here is a list of 15 Infertile Women Who Had Miracle Babies.

20 baby names that mean miracle

Things change fast in the NICU! As of now, we are not comfortable that we can offer you the proper safe environment that you expect when you attend a Northside event. Henry 103 days old On Monday Henry celebrated his 100 day birthday and we shared doughnuts around the unit to commemorate the occasion! Finally, after all the paperwork was complete it was time to take our little miracle baby home.

Miracle Babies

We hope you are in good health and staying safe during these very uncertain times. Logan considers her pregnancy to be a miracle.

Homepage

Any number of complications can keep a woman from conceiving. Overall this was another good week and they are still gradually decreasing the flow on his VapoTherm.

Homepage

Before we could go home Henry had another eye test scheduled, thankfully this showed the ROP was regressing across both eyes. On their final day of waiting, Leonard had gone to another part of the city to check on family members.

Homepage

Each had to deal with the tragedy of their infancy, the cuts, bruises, crushed limbs and bones, and the emotional trauma that started on that September day almost 25 years ago.
