Poetic Works — Bernardus Silvestris, Winthrop Wetherbee

Jones sets this conclusion aside to continue to exhibit differences that occur — which in his opinion are more important than the striking similarities. On the other hand, Christopher Baswell attempts to interpret the Aeneid commentary through comparison to a commentary in Cambridge manuscript Peterhouse 158, seeing this as an important link between manuscripts of the commentary and the Silvestris commentary. Personally, I had already done a lot of this reading at my first attempt at Wetherbee's volume, and eventually got around to filling in some of the rest.

Poetic Works — Bernardus Silvestris, Winthrop Wetherbee

Bernardus Silvestris was born probably in Tours, Centre-Val de Loire, France. From chapter seven things got smoother, I liked a lot the descriptions of all the inhabitants of the heavenly and airy spheres and the descriptions of the making of Man. The new rendering corrects one small error, and in general follows the Latin text more closely—a boon, to be sure, for the facing translation format.

Cosmographia (Bernardus Silvestris)

He also quotes from Bernard of Chartres and knows him as a separate author. If you're a seller, Fulfillment by Amazon can help you grow your business.

Bernardus Silvestris

The claim that Bernardus read Cato the Elder p. . Having studied with pioneers in philosophy and science, he became a renowned teacher of literary and poetic composition.

Bernardus Silvestris: Cosmographia

If these names and terms mean absolutely NOTHING to you, you will be wasting your time trying to read Bernardus, in any language. Out of the Silent Planet. He lived and taught in Tours, where he owned a house near the church of Saint Martin — evidence of which has been found by André Vernet among property titles.

Bernardus Silvestris (? — 1178), philosopher, teacher, poet

Two detailed indexes of names of persons and anonymous texts and manuscripts cited are established for each volume. I count thirteen differences, for example, in the translation of the twenty lines of Micr.
