Personality Traits, Interests, Skills, Values & Interests

A novice engages the community, starts to provide content, and tentatively interacts in a few discussions.

Personal Growth: Your Values, Your Life

Prejudice is a hostile or negative attitude toward people in a distinct group, based solely on their membership within that group.

Personality Traits, Interests, Skills, Values & Interests

You might even ask your parents to reflect back on your childhood to see what they perceived their values to be and what values they wanted to emphasize in your upbringing.

Channelling Corporate Values and Interests: Social Interaction within the Multinational

Families and close friends are examples of primary groups. Unlike first groups, secondary groups are large groups whose relationships are impersonal and goal oriented.

Types of Social Groups

What those underlying values might be may vary, but one might assume that the investment banker values money, while the teacher values education and helping children. A reference group is a concept referring to a group to which an individual or another group is compared.

Have you gone through a period of examination and reconsideration? A regular consistently adds to the community discussion and content and interacts with other users. Humanmetrics Jung Typology Test Humanmetrics offers free brief online MBTI assessment.

Personality Traits, Interests, Skills, Values & Interests

Social comparison theory is centered on the belief that there is a drive within individuals to gain accurate self-evaluations. Merton hypothesized that individuals compare themselves with reference groups of people who occupy the social role to which the individual aspires.

Interests: Social

Another practice you might try is printing out a physical copy of the list of core values above and sorting them into three categories: very important, important and not important. This will link to occupations and majors that might appeal to your interests.
