## Bremer Kluten

The Babbeler can trace its origins back to 1886, when Albert Friedrich Bruns created the very first one in his factory in Utbremen. A little bag of Bremer Kluten peppermints is a popular souvenir of Bremen. In handwerklicher Tradition fertigt Lühders diese Spezialität.

## Bremenball

In essence, Bremer Kaffeebrot is sliced white bread which is coated with melted butter, sugar and cinnamon before being toasted.

## Johannes Lühders KG

Sie werden traditionell mit Butter und Marmelade oder Gelee bestrichen gegessen. Der Bremer Scheerkohl wird wie Spinat zubereitet und sorgt mit seinem milden, leicht nussigen Geschmack für eine herzhafte Mahlzeit.

## spaceneb.us.to : Bremer Kluten : Grocery & Gourmet Food

Early August 2015 I made my third trip to the inscribed area, still searching for its soul.

## Bremer Kluten

I actually enjoyed my walk through the flooded grass lands and walking out on the manmade peninsular gave me a great view of the birdlife around me as I could walk beyond the shoe line even with the tide higher. Achten Sie bei Ihrem nächsten Urlaub drauf! Originally, the sticks were wrapped in greaseproof paper. One part in the North of the Netherlands especially around the Lauwersmeer above is the area of my roots.

## Souvenir Shopping

I did not see anything but birds however, mostly cormorants drying their feathers in the sun. Die Herkunft des Namens Babbeler ist umstritten.

## Bremer Klaben

Here, Ginger has got a longlasting tradition and it's absolutely natural! We opted for the one starting from the little village of Wierum to the Engelsmanplaat Englishman sandbank and back to Wierum.
