## Importance Of Government Expenditure In The Economy

It usually carries a high rate of interest. Journal of Political Economy 87 5 : 940—971. Corruption and Government: Causes, Consequences, and Reform.

## Optimal tax, debt, and expenditure policies in a growing economy

The important methods are explained below: 1.

## Reasons For Increase in Public Debt in Modern Governments

In Jobs and Growth: Supporting the European Recovery, ed. Productive and Unproductive Debt : Productive debts are those loans which are raised by the government for financing projects which yield income to the government. Inflation or Currency Expansion : The government may also repay the debt by the creation of fresh currency.

## The relationship between tax revenue, government expenditure, and economic growth in G7 countries: new evidence from time and frequency domain approaches

Redeemable debts are those which the government undertakes to pay back after a fixed period. The categories were: general public services; defense; public order and safety; economic affairs; environmental protection; housing and community amenities; health; recreation, culture and religion; education; and social protection.
