The City of Calgary is also home to the Métis Nation of Alberta, Region III. They were also allied with the small Sarsi tribe of north-central Alberta, Canada. However, after the construction of Fort Union Kenneth McKenzie made it one of his goals to win over the Blackfoot Indian trade to the American side.

Canadian Indian Tribes and Languages: First Nations by Province

Today, the First Nations tribes that live within this Blackfoot territory share many of the same customs and traditions but may practice them in different ways. The predominant ecosystems are grassland and high desert, although substantial forested areas are found at altitude.

Tribes by Region

Southeast Culture Region The Southeast culture region reaches from the southern edge of the Northeast culture area to the Gulf of Mexico; from east to west it stretches from the Atlantic Ocean to somewhat west of the Mississippi valley. One unique collection is the Gail Morin database.
