## Skitch's adventures

In the afternoon we were buffeted by wind gusting so bad we had to be careful not to be blown into the spiny Joshua Trees. The snow covered Alps seen from the summit of Mourre de Chanier 1930m. Defend your realm against hordes of orcs, trolls, evil wizards and other nasty fiends; armed.

## Master Spirits: Activities and Shopping

Bivouac at Lac de Castillon. The ground, after all, is your next destination. In between each finger, is a thin lycra material to give extra breathability and fast moisture wicking.

## How To Fall 35,000 Feet and Survive

In a meadow below the rock ridge I pitch my tarp sheltered from the mistral winds between some bushes and start my search for water. Snoqualmie Pass is no longer a wide spot in the road.

## Master Spirits: Activities and Shopping

I feel as if I just met my guardian angel. It takes 25 years of residency to earn a passport.
