### Public Wants to Maintain Safeguards in Nation's Largest National Forest

They sued the administration Crow Tribe et al v. Start Printed Page 90736 Response: The final rule in § 219. Several respondents said that they support the Department acting to clarify the expectations for plan amendments, including expectations for amending 1982 rule plans.

### Trump moves to finalize ‘catastrophic’ stripping of key protections for largest national forest in US

Comment: Amendments do not have to meet all requirements of the rule. The , issued by the EPA and the Army Corps of Engineers in 2015, was also a target for possible.

### Federal :: National Forest System Land Management Planning

Trump's objectives include the lifting of regulations from various energy industries to boost domestic energy production. Note that these activities are to be performed by contract and not Forest Service personnel. Her revisions make it harder to track the health consequences of the chemical, and therefore harder to regulate.

### Pesticide Management

Pursuant to —Improving Regulation and Regulatory Review, the Department will consider these comments under retrospective review of the planning rule in the future. Clean is very important — water, air. Elements of the direction provided in the final paragraph b 5 were found in paragraphs b 5 and 6 and c 1 and 2 of this section of the proposed rule.
