## Gerard Elfstrom, Moral Issues and Multinational Corporations

That is only going to happen under the freedom offered by the market system. . Flight Centre inducements to some airlines to stop direct bookings and use them haha, and Qantas collusion with others to inflate air cargo rates.

## Moral Issues and Multinational Corporations

Raymond: I was one of those at one time. The challenge is not whether it is permissible to provide assistance, but rather to determine whether all parties are above the minimal threshold and if not, what can be done to move parties closer to the threshold within the limits of the exchange.

Essentially, respect for core human values, local traditions and belief in the contemporary context when making decisions are critical in shaping ethical conduct of multinational firms.

## Ethical Issues in Multinational Companies' Business

.

## Ethical Issues in Multinational Companies' Business

Competition is often seen as an antagonistic relationship and that is, perhaps, even socially destructive.
