## Wagram order of battle

General Saint-Hilaire composed this force of men from two regiments under two majors, which was likely to interfere with combined action.

## Battle of Wagram 1809 : Napoleon : Archduke Charles : Schlacht : Bataille

Cyr's division to attack the village. A minor matter in its own right, attempts to recapture the village would soon drag in Massena's corps, leaving the French left very weak.

## The Battle of Wagram

Initial moves Battle of Wagram by Using a fortified bridgehead, Napoleon started a full-scale crossing of the island with his 162,000 men on the night of 4—5 July. The front of the hollow square was made up of two rows of eight battalions deployed in line.

## The Battle of Wagram

Duke Albert Cheveau-léger Regiment 1 sq. Col Aguiar Light cavalry brigade GB 1,650 men 9th Hussar Regiment 3 sq. The French forces suffered 34,000 casualties, a number compounded by the 20,000 suffered only weeks earlier at Aspern-Essling.

## Battle of Wagram and similar military conflicts

The losses beggar description, with some 80,000 total in just two days! The French Army As opposed to his Austrian counterpart, Napoleon managed to muster two secondary armies for the upcoming battle. The French army was arrayed in a great sweep from the Danube and Aspern on the left, through Breitenlee, Süssenbrunn and Aderklaa, before swinging to the right along Russbach stream towards Markgrafneusiedl.

## Battle of Wagram, 5

Klenau had his outposts in Essling, but finding himself ahead of the main infantry line he halted, in accordance with orders, redressed his lines towards Breitenlee and waited for the advance of III Korps. Upstream of the bridges, piles were driven into the river bed to form an 800-metre long double palisade to prevent a repeat of the previous ramming tactics. Grenzer Saint-Georg Husaren - Regiment 8 Kienmayer 2 nd Division FML Hohenfeld - Strength 6 331 1.

### **Battle of Wagram**

A brigade of's Corps was not recalled, the 5th Corps of was left to the north-west as a reserve upon which to rally, and the Archduke John's 15,000 men were allowed to loiter at Pressburg.
