The Guittard Chocolate Cookbook by Amy Guittard

The Good: Excellent photography throughout. No matter what you love to have in chocolate, you will definitely find the chocolate dishes on this chocolate cookbook and the quick and easy methods for preparing these dishes. Now there are a few recipes that are good, the Dark and Stormy Cake was good, I always like making it, though the adding of the baking soda to the batter after everything has been mixed was weird, but it did work.
