Great Chinese Famine

This inner transformation does not demand an external transformation of the real world and its material conditions.

Adjusting to progress: interactions between the National Library of Medicine and health sciences librarians, 1961

There is a multiplicity of social groups in our society that seek social change for various reasons.

Publications

Liu was beaten and denied medicine for diabetes and pneumonia; he died in 1969. For example, the Kantian notion of moral duty for the sake of duty subordinates happiness to duty. Reliable and longitudinal data on termination of pregnancies that document the situation realistically, though essential for investigation of the higher male births, are unfortunately unavailable.
