A Day in the Life of... William Shakespeare

Shakespeare was a literary commuter, travelling south when professional commitments required him to be there, but enjoying his fine Warwickshire home whenever he had the chance. Shakespeare's Suppers

This was also an extra source of income — keeping these stores allowed him to sell it on for a profit during times of shortages. At certain periods of the game it was necessary for the balls to be driven through the one and round the other, without knocking either of them down, which was not easily effected, because they were not fastened to the table.

If the latter guess rightly, he wins the article, if wrongly, he loses an equivalent. This number is optional, and rarely exceeds twenty. Here in Stratford he can breathe freely and work without interruption.

Shakespeare's England Explorer Pass

He was also a celebrated poet, a family man and a hugely successful businessman. Frequent allusions occur to this game, which seems to have been a popular pastime in olden times.

A very old game among children. There was one Banks, a hanger-on of the Earl of Essex, who lived in the Old Bailey and who possessed a wonderful horse named Morocco shod with shoes of silver. Once business matters had been discussed the men would have been able to enjoy the entertainment on offer — music and table top games with dice and cards as well as ball games like skittles.

Shakespeare's Suppers

Many of them, like Elizabeth Stile, the Samuels family and the other witches of Windsor were poor, old, vulnerable and powerless.
