## The New Jewish Diaspora: Russian

Exile, Nature, and Transformation in the Life of Mary Hallock Foote opens a window into the remarkable, little-known nineteenth-century personal history of accomplished American author and illustrator, Mary Hallock Foote, a woman both of her time, and ahead of it. Taken together these interviews reveal the range of modern Russian writing and document the personalities and positions that have made Russian writers in emigration so diverse, experimental, and controversial. Regions formerly remote have become connected through the spread of industrialization and the opening of markets, a process that relies heavily upon advances in communications technology.
