We also hold strong collections in Boston and local New England history, late eighteenth and early nineteenth century hymnody, devotional literature, and manuscript sermons. The central section is recessed slightly and there are inscribed panels at first floor level and another inscription with surrounding moulding is contained within the pedimented gablehead.

Montrose Congregational Church

In Puritan theology, church and state had separate roles and responsibilities; magistrates and ministers worked together to make sure that godly standards prevailed. The main feature of the large corner building is the south-facing gable.
