In view of the broad scope of the New Edition and the many years still needed to complete it, we have decided to make the First Edition available again through the present facsimile edition in order to meet the immediate needs of scholars, students of Islam, librarians, and even governments, in fact of anyone interested in Islam and its rich culture. The sacrifice is consumed over the course of several days. Glass , Cyril : The Concise Encyclopedia of Islam

In Islam the place of Abraham's sacrifice is said to be Mina, just outside Mecca. Detailed cross-references lead the general reader into deeper knowledge of Islam. Categories: Religion In geographical terms, Islam occupies the center of the world, stretching like a big belt across the globe from east to west.

## **Encyclopedia of Islam for Children**

It offers even-handed coverage of the different schools of belief, while featuring photographs, a timeline, and a guide to further reading. I recommend reading from this encyclopedia during family time, maybe after dinner or the Maghrib salah. Six years in preparation by a practicing Muslim, this work is the result of a Lifetimes study and a wide personal acquaintance with the Muslim world.
