## Literature and Politics

Eaton's contribution was recognition of the importance of the carbonate plus bicarbonate content of irrigation waters in relation to the amounts of calcium plus magnesium. They had three children: Charles Scott Dozer of Glendale; Jane Blythe Dozer recently a UCLA Ph. DeWolfe on *Phytophthora citrophthora* and P.

Arguing that enjoyment can overwhelm disapproval, he rejects the argument that a book cannot be good if it expresses a palpably false view of life and concludes that in spite of its author, *Gulliver's Travels* is a great work of art. Thus, he signed the oath but appreciated the point of view of those who refused. Indeed, most politicians, trained in the dubious art of media-management, have become adept at dispensing, almost reflexively, trite phrases, devoid of any originality or vitality.
