## Dublin Opinion (1922)

Increased unemployment was followed by increased emigration. Moving away from the traditional narrative historical approach to the catastrophe, Ó Gráda concentrates instead on fresh insights available through interdisciplinary and comparative methods.

## Rocky Road : The Irish Economy since the 1920s Vol. by Cormac Ó Gráda (1997, Paperback) for sale online

Edwards, it publishes besides articles select documents, with editorial comment, and lists of theses completed. Whilst other peripheral European countries had experienced extensive postwar emigration, this had largely stopped by the 1970s; Ireland was by itself when widespread emigration began to reoccur in the 1980s.

## Rocky Road: The Irish Economy Since The 1920s by Cormac Ó Gráda

This pattern continued until the end of the Napoleonic Wars in 1814.

## History Ireland

The professional middle classes, largely but not exclusively a south Dublin tribe, are contemptuous of politicians. Assuming only a basic understanding of economic and statistical theory, the volume has been written mainly with an undergraduate audience in mind. On some issues—such as the embracing of international integration—we have managed to embed the lessons learnt from previous policy errors.

## Sixties Ireland: Reshaping the Economy, State and Society review: a sorry state

Indeed, Ireland shared the ignominy of being the only country in Europe to see its population decline in the 1950s with East Germany.
