Providing insider and outsider perspectives on this intriguing part of the world, The Himalayan Arc is a travel book with a difference. It is a settled law that when in capital case the prosecution demands a conviction of accused primarily on the basis of the confession, the Court must apply double tests, i whether the confession is perfectly voluntary and ii if so, whether it is true and trustworthy.

Kuthu Goala v. The State Of Assam.

The accused has fundamental rights under Article 20 3 as well as Article 22 1 of the Constitution to get legal aid. The sociology of conflict literature and an attempt to illustrate the value of the witness fiction writers bear to violent conflicts underpins the analysis. His work explores issues of colonialism and religion in 19th and 20th century Indonesia.
