## Musical Theater

The tasks Once your kids become more comfortable just moving and walking around the room as their animal, have them perform various tasks. Have you ever witnessed children pretending to visit the doctor? Liz teaches and directs the Youth Theatre Company in Malahide and holds an MA in Directing from University College Dublin. Does your animal dip its head down to eat the food, or does it use its hands or paws to manipulate movement? Need a great resource for ideas for SEL inclusion in Theatre Education K-12? Lesson Plan Title: Regulating Robot Written by: Professor Julie Dunn, Giffith University and Professor John O'Toole, University of Melbourne Source: University of Auckland site: Access the full lesson: Description: In this drama unit, students role play as creators of artificial intelligence to explore the necessity for social regulation and the relationship between rules and creativity and freedom.

## Musical Theater

Dramatic play can also increase reading comprehension. Rasmussen University is a regionally accredited university authorized to operate as a postsecondary educational institution by the. Drama develops emotional intelligence By encouraging children to 'act out' a range of emotions in the safe and supportive environment of a Pyjama Drama class, children are better able to understand their feelings and develop empathy for others.

## The Importance of Creative Dramatic Activities/Games in the Classroom

A few weeks is all it takes. Access the full lesson: SEL Competencies: Self Awareness accurate self perception - Social Awareness empathy, respect for others - Relationship Skills communication - Responsible Decision Making reflecting Theatre Standards: HS Proficient: Creating: TH:Cr1.

## Drama

With prompting and support, use voice and sound in dramatic play or a guided drama experience. The policy of the Gaiety School of Acting is to train actors for the theatre, film and television industries. Some students become more tempted to break character if they are asked to interact with classmates possibly friends as animals, so that is why I suggest leaving that as a later option.

## The Importance of Creative Dramatic Activities/Games in the Classroom

Contribute to group guided drama experiences. This will set a positive tone for the rest of the lesson, because what you are going to ask the students to do may be a little outside their comfort zone.

### **The Importance of Creative Dramatic Activities/Games in the Classroom**

Counting the number of beats in a song, counting the number of stars on a camping trip or working out how many eggs to put in a cake are just a few examples of how being involved in a drama can help to develop essential numeracy skills. Through constructivist practices we aim to invite students to actively enter the teaching and learning process.

### **The benefits of drama and play**

Social Emotional Learning encompasses skills in self awareness, social awareness, self management, responsible decision making and relationship skills.

### **Creative Drama for The Classroom: Acting Through Animals**

As an acting teacher, one of the biggest challenges in the classroom is finding an exercise that can help enable students to trust themselves. The answer is easier than you might think. Show me how your animal gets water.
