## Developing a Research Program

University at Buffalo SUNY School of Medicine and Biomedical Sciences - Buffalo, N. University of New Mexico School of Medicine - Albuquerque, N. Unfortunately, the pandemic is unlikely to be over by the time SIMR would start, and we have been forced to cancel plans to solicit applications for summer 2021.

## MRP Homepage

We are hopeful that SIMR will be able to return to in-person activities in summer 2022. This search feature obtains best-matches with the terms you choose, and shows an overall score based on the scientific rankings. We anticipate that all project applicants will be informed about the outcome in the course of November 2020.

## Undergraduate Summer Research Program (UGSRP)

Some are essential to make our site work; others help us improve the user experience.

## Research program

The current facility lacks range to be used in regions like the oil-rich Middle East, according to one of the researchers involved, but the technology could be put on a mobile platform.
