### Cold War

During the Cold War, America used bears to test their ejector seats in supersonic jets. It is, but it isn't really, narrative driven.

### Cold War

Some of the lesson plans resulting from this partnership relate to Cold War events. One such attempt by the Soviet government in 1962 precipitated the Cuban Missile Crisis, arguably the closest that the world has ever come to a large-scale nuclear exchange between two countries.

### 25 Interesting Facts About Cold War

The key figure in the Cold War was the Soviet leader Gorbachev, who was elected in 1985.

### Cold War 2 (en)

These attacked were harmful to the interests of American nation Whitton 151.
