**Locked down and lonely, London Zoo faces fight to survive**

## The Ultimate Guide to Visiting the London Zoo

Read our COMPLETE guide to London Zoo with kids below. Guy was the replacement for the zoo's previous gorilla, Meng, who had died in 1941.

## London Zoo

It was originally designed for a multitude of different species including bears, penguins, sheep, goats and wild boar. The first woman to be a curator at the London Zoo was , in 1920.

## The London Zoo ticket details and location

The exhibit has no roof, and there are no boundaries between the monkeys and the visitors. On 27 September 1940, high explosive bombs damaged the Rodent house, the Civet house, the gardener's office, the propagating sheds, the North Gate and the Zebra house.

## The Ultimate Guide to Visiting the London Zoo

Years later, Guy was taken out of public display and moved into the scientific study collections.

## London Zoo defends its late

Initially the liquid for the saltwater section came from the Bay of Biscay, delivered to the zoo by barges arriving along Regent's Canal next to the zoo — water being delivered by water. Pick up burritos or a roti bar The Terrace Restaurant is situated in Barclay Court, opposite the Amphitheatre and next to the Zoo shop and exit. The cages have, for the most part, been replaced with large, natural-looking enclosures.

## **London Zoo**

In 1962, 'Caroline', an Arabian oryx, was lent to , in the world's first international co-operative breeding programme. Our star system does not denote hotel amenities but it does denote the level of our approval. A place with one star is worth a look—after all, it made the list.
