Earlier in his career, Gerard worked as a lawyer. As for reprocessing, to divert criticism, spent fuel could be left untreated mouldering in dry stores, a dreadful legacy to poster- ity and a good deal more difficult to deal with than the pit heaps left by the coal owners 60 years ago for us to clean up. Bartu led a team of fifteen UN and Iraqi researchers that produced a seminal 500 page report on the disputed internal boundaries between the Arabs and the Kurds in northern Iraq.
