The clinic was directed by a 15-member advisory board consisting of black doctors, nurses, clergy, journalists, and social workers. As their families live in want and are often diseased, they create the chief social problems of the day.

### Woman and the New Race, by Margaret Sanger

Only in recent years has woman's position as the gentler and weaker half of the human family been emphatically and generally questioned.

Used items may not include supplementary materials such as CDs or access codes. After Sanger's appeal of her conviction for the Brownsville clinic secured a 1918 court ruling that exempted physicians from the law prohibiting the distribution of contraceptive information to women provided it was prescribed for medical reason, she established the Clinical Research Bureau CRB in 1923 to exploit this loophole.

### Woman and the New Race, by Margaret Sanger

Because Julie Ryder is the only character that changes, thinks outside of the family, she serves as a sketch for the contemporary female in revolt, one who questions the traditional roles of Mother and Father assumed so self-consciously by Wendell and Sophia.
