Serial Verbs in Oceanic: A Descriptive Typology (review), Oceanic Linguistics

Titular landholders, other priests, war leaders, and these neighborhood organizers all receive such public recognition. For those cases described in the literature, evidence is usually meager.

The Rise and Fall of the Third Chimpanzee: How Our Animal Heritage Affects the Way We Live

Pacific Linguistics Series C - No. Social relations of the living are often defined and ordered in terms of ancestors. In these ways, effective warriors could amass wealth and achieve bigness.

WALS Online

The role no longer functions, but men recognized as ramo are still living. Teng shows that, defined on independent semantic grounds, only his Patient, but not Range or Goal, noun phrases can appear in this construction: Patient: Ta ba nei-feng xin sMo Ie he that letter burn asp University of California publications in linguistics, 80. Example 1 from English illustrates this construction : Double-Object Construction DOC : 1 Lea gave Teresa a mango.

Grammar Watch

Melanesian Big Men, like leaders anywhere, can be despotic, self-serving or incompetent ; and occasionally, I am sure, some of them realize all the worst qualities of our conventional image. As for the Kwaio language, good luck.
