Travels in the new world : Gage, Thomas, 1603?

First edition of the University of Oklahoma press. By Gage's own account, in Mexico City he heard from a friar who had run away from his duties in the Philippines that the Dominican superiors there were cruel and harsh and the friars corrupt and worldly. From 1763 to 1775 he served as commander-in-chief of the British forces in North America, overseeing the British response to the 1763 Pontiac's Rebellion.

Here he was accepted by the Dominicans as a useful addition to their manpower.

Travels in the new world : Gage, Thomas, 1603?

Gage reveals himself as a thorough going rascal, which does not in any way detract from this interesting and unique picture of early missions in southern Mexico and Guatemala. His book, first published in 1648, is the only record in English of this area for a couple of centuries. After a year there he decided to run for it.

Thomas Gage's Travels in the New World by Thompson, J. Eric S.: (1958) First edition.

Gage, the only Protestant that was ever known to have travel'd those parts.
