## SAGE Books

What exactly those interests are remains somewhat ambiguous, however.

### The Identity Politics of Peacebuilding

The Identity Politics of Peace Building looks at civil society and peace movements in the context of the identity-based armed conflict s in Sri Lanka.

### The Identity Politics of Peacebuilding

Local Peacebuilding and National Peace is a collection of essays that examines the effects of local peacebuilding efforts on national peace initiatives.

### The identity politics of peacebuilding : civil society in war

Rather than power sharing or some form of autonomy on the basis of ethnicity, she applauds democratic politics as the adequate moderator of ethnonationalism. This raises numerous problems, including questions around sovereignty and the fact that foreign support to local organizations may in fact delegitimize rather than bolster their interventions. She also picks out and highlights the aspects of civil society that are destructive and instigators of conflict, elitist or exclusivist, or driven by the agendas of its donor base.

### The Identity Politics of Peacebuilding: Civil Society in War

This book should, however, be vital reading material for academics, researchers, donors and aid agencies in understanding the composition and dynamics of civil society and how it can contribute to peace or conflict in any country. The focus is on multi-stakeholder, systems-based approaches to peacebuilding and human security that involve diverse civil society groups NGOs, religious organizations, media, etc.
