This image of the loving father stands at odds with persistent fears concerning male violence and sexual abuse. Shows some signs of wear, and may have some markings on the inside. In one major national study of students in grades six through twelve, conducted by the Search Institute of Minneapolis, almost 20 percent of the children reported not having had a good conversation lasting at least ten minutes with their mom or dad within the last.

## Reassessing fatherhood : new observations on fathers and the modern family : Lewis, Charlie; O'Brien, Margaret, 1954

A book that has been read but is in good condition. The annual study on drug use among young Americans compiled by Pride Survey, a non-profit, by-partisan group that surveys over 100,000 students from 6th to 12th grade has shown that drug use has fallen to the lowest level in 8 years. In fact, in 1970, 17% dropout rate did not constitute a social problem.
