## Mongol inhospitality, or how to do more with less? Gift giving in William of Rubruck's Itinerarium

But I think the fact it is included in his collected works, his *kambum* བཀའ་འབྲུག་, is enough to recommend its authenticity, not quite enough to guarantee it are there any absolute guarantees in this life? The author arrives at the conclusion that the works of Guillaume Boucher as described by Rubruck represent as syncretism of Western and Eastern Asiatic symbolism, whereas the purely technical tradition in which Boucher had grown up is derived chiefly from Byzance and the Mohammedan Middle East. The primary geographic focus of the journal is on Western Europe, but Byzantine, Hebrew, Arabic, and Slavic studies are also included.

## Review: [Untitled] on JSTOR

Given the lack of clarity that Mongol historiography tends to describe the deaths of khans, it is possible that Mongols covered up the story by claiming that his death was due to illness, leading to the story in Persian accounts. He also fought alongside Batu at the.
