Equibase

They are not Gods, even if they have an MD. The breathtaking story of a man gifted with exceptional abilities set against the background of the events of the totalitarian fifties.

Equibase

What was the recipe for Baume de Vie, Elixir Renovans, the Syrop Vitae of Anthony Bellou, the Glorious Spagyric of Jone Case, or any of the others in lands and ages stretching back to the dawn of time? He was looking at the future. This is a forceful, capable movie with an interesting story to tell but its potency consists in a handful of gripping episodes, the most startling being when the young Mikolášek has developed a love of herbs and a vocation for healing.

Some days it swallowed up portions of the city. He kept reinventing himself to work around the restrictions that were thrown at him.

CHARLATAN

True, Custer's connection to impotence may have been largely metaphorical, but to a certain fretful portion of the populace it struck home. Mixing terror and hope was the Reinhardts' stock-in-trade. Shooting concluded in July 2019.

Charlatan (2020)

Legitimate doctors had difficulty fighting back, their own record being spotty at best. Hand this creature a scalpel, a radio microphone and the sweet-talking skills to get filthy rich hawking a deadly implantation of goat sexual organs to gullible American men— and women.
