Training and Professional Development

RESEARCH, EVALUATION, AND DATA COLLECTION The multiple groups concerned about community programs for youth—policy makers, families, program developers and practitioners, program staff, and young people themselves—have in common the fundamental desire to know whether programs make a difference in the lives of young people, their families, and their communities.

What is community work?

Foundations and others who usually fund service activities generally don't understand what organizing groups do or how they do it, or shy away from their contentious approaches. Also see Phase 5 -- Evaluation: Were Desired Results Achieved? When greedy individuals, families or factions accrue wealth at the expense of the community or the organization as a whole, that weakens the community or organization. In addition to low level include: 7 Community involvement activities conducted to involve community members and their participation.

What is community work?

Although most individuals pass through this developmental period without excessive problems, a substantial number experience difficulty.

Challenges and Opportunities of Community Engaged Teaching

Patterns and prospects, London: Policy Studies Institute. Women of Color Against Violence 2008. The more effective its leadership, the more stronger is a community.

COMMUNITY PARTNERSHIPS

The book uses a set of case studies to examine the sources of community activism, the ways communities define themselves and defined by outsiders, and the room for partnerships with different agencies.
