Decision making on human resource issues in. ... In the interest of promoting valid research-based inferences in HRM research, the chapters in this

volume identify a wide range of methods-related problems and offer recommendations for dealing with them. Research Methods in Organizational Politics: Issues, Challenges, and Opportunities, Liam P.

Human Resource Management (HRM) Research Methods

The careful analysis of case studies may lead to broad application in the area of HR management and Human Relations. Recognizing an interrelationship between corporate strategies and the productive outcomes associated with the workforce begs the question, what more can management do to execute strategy through the workforce? This emphasizes the need for HR research to find out solutions to the new problems of HR.
