### The Posture of Services

Marketing such controversial products as cigarettes, alcoholic beverages, gambling casinos, firearms, and pornography entails a host of issues not faced by marketers working in industries that do not stir political or social opposition. Also problematic is the continued invocation of the reasonable person standard to judge the propriety of advertisements. We suggest that the NYSE, in the interests of fostering higher ethical behavior among member marketers, may need to revive a marketing code of conduct prevalent on Wall Street in an earlier era.
