Follow this guidance if you are submitting samples as digital files. The education self-assessment tool provides a step-by-step guide to help you meet best safeguarding and child protection practices.

### Asset 1

To apply for results to be sent directly to a chosen educational institution on the day results are released. Following your assessment At the end of each standard, you should refer to your tailored action plan and decide how to implement any changes needed. Use this poster to remind you how to pack and despatch samples to us.

### Administrative forms and guidance documents

This includes all instances of suspected candidate malpractice in timetabled exams or other assessments. All headteachers, teachers and governors should familiarise themselves with the requirements for the school year. To be used to supplement any continuation answer booklets we provide.

### AA resources

To have a set of results verified. Don't forget to save your progress as you work through the questions. Use our carry forward entry rules guidance to help you make carry forward entries.
