## These 8 Western Philosophers were Influenced by Hinduism

There, those who were evil were punished in a place called Tartaros, while good souls lived in Elysium, a place of eternal happiness and sunlight in a portion of Hades. The soul-making or person-making theodicy was developed by John Hick, utilizing ideas from the early Christian thinker and bishop Irenaeus c. Within every major religion is a belief about a transcendent reality underlying the natural, physical world.

## Religion and The One: Philosophies East and West

The Milesian school The thinkers of the Milesian School described the nature of the universe and of change and motion by the use of reasoning. The Milesian philosophers thought that, if they could discover the archeē, they would understand something important about the nature of the universe. They worshipped them daily, offering parts of each meal to the gods and taking part in special religious festivals and holidays.

## Difference Between Religion and Philosophy

Arthur Schopenhauer Perhaps the most famous philosopher on this list. What provides a sufficient reason for the existence of the universe? Delhi, India: Moltal Banarsidass Reprint: 2002.

## Differences Between Eastern and Western Philosophy

This could be simply a circle or a stylized sun with rays. He developed an ethical system of behavior rather than attempting to explain origins or the afterlife. Like in the gnostic sects described below, there were seven grades, each protected by a planet.

## Religion and The One: Philosophies East and West: Frederick Copleston: Continuum

The World and the One 8. Stanford: Stanford University Press, 1989. In part this was in reaction to the suppression of religion during the Revolution.

## Differences Between Eastern and Western Philosophy

Plato and Descartes, 1724—1804 , a German idealist, and 1859—1952 , an American pragmatist, have given to their systems many of the quaint trappings of their own personalities.

### **Greco**

And, of course, Mithraism survives more subtly in various European -- even Christian -- traditions. .
