By following-through with your consequences plan, students learn that the rules are serious and must be respected. Physical touch - touch is unusually effective when used in conjunction with verbal messages.

**Assertive Discipline Positive Behavior Management For Today's Classroom Building Relationships With Difficult Students PDF Book**

These rules were discussed by the teacher with the students and were posted in all special classes and in Grades 1 through 5.

**Assertive Discipline : Positive Behavior Management for Today's Classroom by Lee Canter (2011, Trade Paperback) for sale online**

Successful involvement with students when they behave appropriately builds influence with the students, leads to a decrease in the amount of problem behavior and makes for a happier and more productive classroom. Evidently the boy had waited until the mother was not at home to

explode. Rather, students are viewed as allies who are expected to cooperate for the good of all.

### **11 Key Features of Assertive Discipline Theory (2021)**

These consequences are administered when the students break the rules. Student compliance is imperative in creating and maintaining an effective and efficient learning environment. They also use sarcasm sometimes in responding to students.
