.

## Battle of the Little Bighorn

Millard Burr, rather than face a libel action in British courts, which seem at the moment to side with those who finance extremism rather than those who seek to curb it.

## From "brute" to "thug:" the demonization and criminalization of unarmed Black male victims in America

In 1844 the Isle of Lewis was purchased after much infighting among the McLeod clan by Sir James Matheson, founder of the Scottish China Trading company of Jardine Matheson that shadowed the British East Indian Company and then Caleb Cushing's American minions. Wackenhut had gone public in 1965 ; George Wackenhut retained 54 percent of the company.

## WINSIP CUSTER: TE Lawrence Syndrome and General William H. McRaven

. One "looking at cocaine-related deaths in the 1970s and 1980s in Dade County, Florida, revealed that these deaths were more likely to be diagnosed as "excited delirium" when involving young Black men dying in police custody and "accidental cocaine toxicity" when involving cocaine-related deaths in white people. As the myth grew and stories spread about the savage Black brute, so did the occurrences of lynching.
