**Iris Habib el**

Sunday School Magazine 3, no.

**Tafsīr ramzī li**

El-Masry explores the ways in which God is described with feminine attributes in the Bible, and the roles of women in both Old and New Testaments as bearers of the Gospel, as teachers, as equal to men, and as apostles. .

**Gregory, of Nyssa, Saint, approximately 335**

In 1954, Pope Yousab II had el-Masry as his private secretary for correspondence with the World Council of Churches.

**Tafsīr ramzī li**

In 1966, appointed her Counsellor to Coptic Girls.

**Gregory, of Nyssa, Saint, approximately 335**

In most instances, the information will be from sources that have not been peer reviewed by scholarly or research communities. Three Coptic Patriarchs recognised her great faith and intellect, commissioning her service for the church by appointing her to various positions. She is best-known for her historical works, especially her volumes known in English as The Story of the Copts.
