## Edvard Munch, The Scream

One sees Munch's extended influence even in the work of a later painter such as , whose portraits reflect the sitter's psychological turmoil as is manifested in skewed facial and bodily features.

## Edvard Munch Paintings, Bio, Ideas

Beginning at this time Munch included art nouveau elements in many pictures but usually only in a limited or modified way.

## Symbolism

Only a few years after he was born, Edvard Munch's mother died of tuberculosis in 1868, and he was raised by his father.

## Edvard Munch Biography, Life & Quotes

Its strict linearity provides a contrast with the shapes of the landscape and the sky. I stopped and leaned against the fence. .

## Edvard Munch, The Scream

The family, including sisters Johanne Sophie, Laura Catherine, Inger Marie, and brother Peter, relocated to Oslo in 1864, following Christian's appointment as medical officer at Akershus Fortress, a military area which at the time was in use as a prison. We believe that the brilliant histories of art belong to everyone, no matter their background. From about 1892 to 1908 Munch spent most of his time between Paris and Berlin.
