Janes Island State Park (Crisfield)

We drove 180 miles because someone told us this was the best Kayaking they ever experienced. While we continue to feature destinations that make our state wonderful, please take proper precautions or add them to your bucket list to see at a later date.

Generally the stations occupied by light-vessels are of such a character that the screw-pile light-house is the most eligible form of construction for any permanent substitute. Having come to the park for the past decade we've made some observations that hopefully you will find helpful: - As of October 2015 most of the renovations are complete. Kelly 1921 — at least 1930 , Gordy Z.

Lawson 1874 — 1876 , John F. The Ranger met us in the open water Bay his boat was too large for the canals He pointed the direction we needed to go in.

Janes Island State Park

We rented a pontoon one hot Labor Day weekend and stayed nice and cool on the waters.
