The way of the warrior : the paradox of the martial arts : Reid, Howard : Free Download, Borrow, and Streaming : Internet Archive

Also good to watch the programmes too available on YouTube, though grainy. In some respects then, this book fits the established template well, with copy-errors abounding and occasional discourses which could do with the help of a strong and firm editor.

The Way of the Warrior (TV Series 1983)

I did not see any glaring errors which would be easy to do in a book that covers so much, though my martial arts experience is narrow. The photographs alone would make it an interesting coffee table book in the home of the martial artist. WOW has become our true family.

The Way of The Warrior

Traces the history of all major martial arts systems by country and influences.

The Way of the Warrior : The Paradox of the Martial Arts by Michael Croucher and Howard Reid (1995, Trade Paperback) for sale online

Most everyone today wants to take the easy way, take a magic pill, a secret formula. Perhaps it had to be cursory to fit into one book, but it's a mile wide and an inch deep - I think I could find out more about any style covered with a simple Google search.
