## Dark Tower, Books I

A Covered Call or buy-write strategy is used to increase returns on long positions, by selling call options in an underlying security you own.

## The Metamorphoses Books I

The investigation into the explosion was published across Europe and the Americas.

## What is the Difference between Black, Pyrodex, Triple Seven, and Smokeless Powders?

The height of a conical pile of grain is likewise dependent on the diameter of the pile and can be computed if the average filling angle angle of repose is known for the particular type of grain.

## Temporary Grain Storage in Unconstrained Piles

The more popular the contract is with options traders, the greater the Open Interest. If you wish to receive the dividend, you must own the stock by theÂ close of market on the day before theÂ Dividend Ex-Date.
