St James' Tower, Upton, Somerset

It has a double plinth, offset corner buttresses, dividing strings, battlemented parapet with pairs of corner pinnacles extended from buttresses, and central paired pinnacles with corbelled-off gargoyles. One or more of your videos failed to upload.

Somerset Towers

Often, indeed, a quite small and architecturally inferior church will be ennobled by a tower which has the magical quality which we may call style, or proportion, and which makes stone and mortar into a work of art. The church was restored and a new Chancel added in 1863.

English Buildings: Chewton Mendip, Somerset

The west tower has three stages, set back buttresses with off-sets which turn into diagonal pinnacles in upper stages. Although each is no doubt an accurate portrait of details, the artist has failed to give an impression of the character and individuality of the towers.

Historic Churches in Somerset

Very minimal damage to the cover including scuff marks, but no holes or tears. The review can not be retrieved once it is deleted.

Taunton, St Mary Magdalene Church

I Between 1500 and 1525 The large church, which is known as The Minster. Look for a carving of a spoonbill with an eel in its beak, and another of a man in a loincloth. The road running beside the churchyard connects up to the network of old drove roads across Sedgemoor.

Somerset towers Description, Classification and dating, The Free Encyclopedia

The second stage has one 2-light perpendicular window under a drip mould with carved stops on each side; all are except the west which is blank.
