## Animacy — Wikipedia Republished // WIKI 2

Such categorization may be adaptively important in Eldredge's energy and information realms. The experience of animacy could be successfully modulated in a parametric fashion by the systematic variation of comparably simple differential movement characteristics. Traces can be found in in which the singular form of verbs was used when they referred to neuter words in plural.

## Natural Connections: The Grammar Of Animacy

Analyzing disability memoirs and the work of a professional wheelchair dancer, I argue that wheelers frequently experience complex relationality and queer kinships with their wheels.

## Animacy — Wikipedia Republished // WIKI 2

That implies that the topic owns or is holding onto the noun. Overall, the border between animate and inanimate places humans and animals in the former and plants, etc. © Oxford University Press, 2018.

## Natural Connections: The Grammar Of Animacy

There is another example of how animacy plays some role in English.

## Animacy

The inanimate subject pronoun in Spanish is *ello*, like it in English. Animacy in Russian: a new interpretation.
