The trip features corporate leaders, venture capitalists, and entrepreneurs in various stages of a startup lifecycle.

## **About the Department**

Provides experience dealing with three challenges that face all practitioners of the discipline: identifying the historical problem to be tackled, deciding what methodologies are best suited to that problem, and locating and then making use of the primary sources necessary for analyzing the subject at hand. All of the old wooden rooming houses which dotted the campus area have disappeared. Louis to Champaign by train.
