The prison guard's wife burnt the book for fear of being implicated, but the guard manages to salvage some pages, which are about how to emascuate hen and ducks; the other pages are lost forever. Thus, even if I hadn't put the knave to death, he never would have eradicated the source of my sickness.

**國立臺灣大學 臺灣文學研究所 [WorldCat Identities]**

Due to the religious stigma attached to the practice of surgery, the social position accorded to the surgeon became increasingly lower and thus made a revival of Chinese surgery impossible. The historical document recorded that there were actually a bone surgery performed on Guan Yu, and Guan Yu indeed showed no painful expression. The historical texts and record Hua Tuo as the first person in China to use during surgery.

**國立臺灣大學 臺灣文學研究所 [WorldCat Identities]**

A Gallery of Chinese Immortals. They had red heads and were all wriggling; half of their bodies looked like. Movement of the limbs facilitates the absorption of nutrients in food and enable the blood in the arteries to flow freely, preventing sickness from occurring.

## Wen

They may also be used to get rid of illness and are beneficial for the legs and feet because they are a type of duction. Ran hou wo jiu zhe yang qu zou tian ya, zai mei yi ge cheng zhen, mei yi ge xiang cun qu shuo gu shi. He removed parasites, performed abortions and treated ulcers, sores and analgesia.
